

LTR-M05MA-NLK-301 Photoelectric Sensor

Kod produktu: LTR-M05MA-NLK-301

Threaded photoelectric sensor, visible diffuse red light emission, 0 - 60mm sensing distance, NPN logic, 1 kHz switching frequency, stainless steel housing.

Connection: 2 m long with 3 wires

Protection rating IP67

Operating voltage: 10 - 30 VDC

Housing dimensions: 35 mm length, 5 mm diameter
